RELA Dues

The RELA Homeowners Association is a voluntary organization. The dues have never changed (\$15) since 1993. Due to increasing costs, be a part of your neighborhood by contributing only \$20 a year.

Direct any questions regarding dues to Ann O'Connor.
(239) 691-8685 or email at
rela32566@yahoo.com

This helps maintain the front entrance and pay the power bill for the irrigation pump, front entrance street light, common area grass cutting and weeding. Your small contribution helps keep our neighborhood looking great.

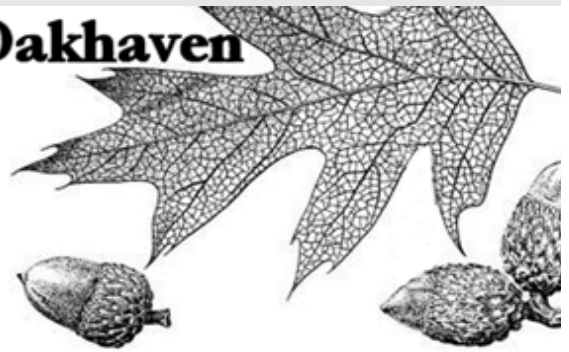

The 2027 annual dues for Robledal/Oakhaven will start October 1, 2026 and runs through September 30, 2027.

Payments can be mailed to:
RELA
8668 Navarre Parkway PMB # 327
Navarre, FL 32566

There is also a dropbox located on the backside of the USPS mailbox at 6462 Avenida de Galvez.

Robledal & Oakhaven Landowners Association

www.robledaloakhaven.org

Our Mission: To fairly represent and communicate the needs of the members of the association of landowners of Robledal and Oakhaven subdivisions, by working with officers, past and present, and with homeowners, who have the common goal of abiding state and county ordinances and properly addressing issues affecting homeowners and members of the association, for the betterment and strengthening of community bonds.

Santa letters

One of our neighbors is going to put up a special mail box at 6280 Calle de Hidalgo for letters to Santa. The kids can drop off letters and they will be answered up to Christmas Eve if a return address is provided.

Electric and Gas Scooters

Parents: Reminder Gas powered scooters have to comply to motor vehicle laws. See below from Santa Rosa sheriffs office.

E-Bike Safety Reminder

As e-bikes continue to grow in popularity, it's important for riders and parents to understand the rules of the road and the different types of e-bikes available.

Before you ride, take a few minutes to review the Florida Department of Transportation's E-Bike Guide. Knowing your e-bike's classification, speed capabilities, and where it can legally be operated can help keep everyone safe.

- ✓ Know your e-bike type
- ✓ Follow traffic laws and local regulations
- ✓ Wear a properly fitted helmet
- ✓ Stay alert and ride responsibly
- ✓ Be visible to motorists and pedestrians

Whether you're commuting, exercising, or just enjoying a ride around Santa Rosa County, a little knowledge goes a long way toward preventing crashes and injuries.

Ride smart. Ride safe. And remember e-bikes are limited to 20 MPH (class 1&2) class 3 is limited to 28 MPH .

NOTE: excess speed has been frequently observed. Keep your riders safe!
